Statement of Subject - Approval of Minutes
Main Points - Minutes from the previous meeting were reviewed and approved.

Statement of Subject – Event Update
Main Points - Theresa Jones attended the meeting in Maria's absence to bring us up to date on the upcoming Staff Appreciation Events. The Halloween Costume Judging will take place at noon in the 2nd floor lobby of the Administration Building on Wed. 10/31. Judges are needed. The Newport Beach Holiday Boat Parade event will be held on Thurs. 12/20 in the evening. Theresa informed us of the prices of the boat rental, the deposit price and how many people each boat would hold. She was able to get the boat for $7,000 instead of the usual $13,000. This would be big enough for 250 people with food and a DJ. A 'save the date' email was discussed so that staff can plan now for the event. We also discussed raising the price from $20 per person to $30 per person and also decided we should start selling the tickets as soon as possible

- Action: Volunteer to judge Halloween Costumes
- Responsibility: Council should contact Maria Gillespie or Theresa Jones.
- Action: Volunteer to help with Boat Parade
- Responsibility: Council should contact Maria Gillespie or Theresa Jones.

Statement of Subject - Committee Reports
Main Points – Penny reported that the Communications & Publications committee had not met yet, but were going to meet soon. She would like to have one inclusive zotmail to go out all planned events listed, then send out reminders closer to the actual event dates. The Chancellor's Forum has a date set for Mon. 12/3. Ideas for where to hold this forum were renting a large tent to set up in Aldrich Park or renting the Barclay Theater. Lorrie volunteered to further investigate these two ideas. There will be a brown bag lunch in November. The theme will be 'How to get my child into UCI'. Sue Wilbur of Admissions and Relations with Schools was suggested to be a speaker at this brown bag lunch.
Linda Flomerfelt attended this meeting in Ramona's absence to give us an overview on the development of the Scholarship application. She handed out copies of the proposal and asked that everyone read it and give suggestions directly to Ramona Agrela. There was a brief discussion on questions that were asked in the application and whether or not they were applicable and/or legal.

The other committee chairs were not in attendance so there were no other reports.

- **Actions:** Mike asked that Committee Chairs email Committee Reports to Council prior to monthly meetings for review/discussion.
- **Responsibility:** Committee Chairs

**Statement of Subject – Quarter Century Club Update**
Main Points – Mike gave us an update on the Quarter Century Club proposal. He needs more input from the Chancellor's office regarding the dinner/lunch and reception. A logo for the QCC card was also discussed as well as ideas on where to hold the reception. Mike will contact Communications for suggestions in commissioning an artist to design the QCC card logo. Penny and Barbara will also research some other possibilities.

**Statement of Subject – Tree Planing Update**
Main Points – Mike relayed that he and Richard Dimerjian of Campus and Environmental Planning scouted out Aldrich Park for possible sites to plant an olive tree in memoriam of the National Events of 9/11/01. Possible suggestions were a non-fruiting variety of Olive tree with a stone inscribed with 9/11/01 and a reflection area with benches. An idea of soliciting donations from other campus organizations and/or Deans was also discussed.

**Statement of Subject – EVC Meeting Topics for 11/6/01 Meeting**
Main Points – It was suggested that topics be the Tree Planting Memorial as well as sending out a zotmail to the campus regarding Staff Assembly activities already planned for the upcoming year.
