Statement of Subject: Approval of Minutes
Stephanie Fix motioned to approve the meeting minutes from June 2014.
  o Gerson Gomez: Seconded
  o Vote: 10 yes, 0 no, 0 abstain
Main Points – Aguirre reported on the following meetings:

- Aguirre reminded the council members that she granted all members access to the Staff Assembly shared Google drive documents.
  - As the folder includes a variety of information, Aguirre asked that council members please review the contents and email her with any questions.
  - Aguirre requested that council members update their contact information, including their Dean and immediate supervisor information, as well as the subcommittee membership list.
    - Andress-Delaney requested that the committee affiliation be included on the subcommittee membership list. Aguirre agreed to add the column on the spreadsheet.
- Aguirre met with Newell and Ning to review finances for 2014-15 fiscal year, including the revised reimbursement forms.
  - Puritz clarified that the reimbursement forms are for reimbursements only, not for other costs accrued through Staff Assembly activities. Aguirre confirmed that the form is only for reimbursements, adding that any additional expense requests should go through Newell and Ning, with Aguirre and Fix cc’d.
- Aguirre informed the committee that Staff Assembly has a Facebook page, with a soft launch scheduled for the Staff Picnic.
  - “Selfie stations” will be set up at the Staff Picnic. Staff members who take a photo can access the photo by “liking” the Staff Assembly Facebook page.
  - Aguirre and Fix are the current Facebook page administrators with a regular Facebook page administrator still to be determined.
- Aguirre introduced tentative plans for Human Resources to partner with Staff Assembly for an event and asked the council if anyone would like to form a subcommittee to brainstorm ideas and organize the event.
  - Greenberg commented that Staff Assembly and Human Resources partnered on an event many years ago with great success. All the events were centered on a common theme and were scheduled during Spring break. Two events she recalled included a panel of “homegrown” staff who worked their way up through UCI to achieve top leadership positions and a career development workshop that provided information about what qualities employers looked for when hiring positions.
  - Aguirre confirmed that Greenberg would serve on the committee. Greenberg agreed.
  - Aguirre asked that members email her if interested in helping Greenberg with the event.

Statements of Subject: Vice Chair’s Report
Main Points – Fix reported on the following:

- Irvine Global Village
  - Fix informed the committee that more volunteers are needed to staff the booth at the event. A suggestion was made that Fix provide the sign-up sheet to Andress-Delaney for additional volunteers.

Statements of Subject: Special Topics
Main Points – Fix, Valdry and Gomez reported on the following

- Engagement Survey
  - Fix and Gomez commented that UCOP issued the engagement survey with no follow-up as to how campuses should take action to improve staff engagement on their campuses.
  - Following a presentation by world-renowned author and expert on engagement, Bob Lavigna, Fix, Valdry, Gomez, Daly and CUCSA members are developing a plan of action to bring this subject to the attention of campus leadership.
Valdry added that the next step is to provide campus leadership with a sense as to the bigger picture; in other words, helping leadership understand that greater staff engagement can equate to quantifiable numbers such as less absenteeism and less workers compensation claims.

Daly added that he would like his counterparts at the other UC campuses to hear Lavigna speak.

- **Affinity Groups**
  - Valdry informed the council that there are a number of staff affinity groups listed on the Office of Equal Opportunity and Diversity’s website, adding that it may be a good idea for Staff Assembly to reach out to these groups directly.

- **End-of-Year Report**
  - Valdry alerted committee chairs that he will be contacting them for a synopsis about their activities the past year to include in his report.

**Statement of Subject: Community Relations Report**

Main Points – Andress-Delaney reported on the following:

- Surfrider Beach Cleanup event was a success; initially had 52 volunteers sign up, with 25 volunteers attending the day of the event. Next cleanup event scheduled for November 2014.
