

UCI Staff Relief Fund

**Make a
difference.**

**Donate to help
colleagues in
need.**

For staff, UCI isn't just a workplace, it's a community. And in times of crisis, a community offers support. The UCI Staff Relief Fund allows staff at both the campus and medical center an opportunity to help colleagues in need.

Employees may donate to the UCI Staff Relief Fund by payroll deduction, check, or credit card. All contributions are used to assist UCI staff members. Imagine! If each of the 9,500 staff at UCI were to donate \$1 per paycheck, the result would be a thriving fund able to assist co-workers in times of crisis.
